

RESOURCES FOR VETERANS

Veterans are welcome at all WorkSource sites, and can receive services from all WorkSource partners, including the King County Veterans Program (206-205-3500). However, the following locations have Veteran Reps who specifically assist veterans in obtaining employment:

<u>South King County</u>	<u>Seattle Area</u>	<u>East King County</u>
Auburn / Renton	North Seattle / Rainier	Redmond
Greg Lindvig glindvig@esd.wa.gov (253) 804-1132 (Auburn) (206) 205-3550 (Renton)	William Charles wcharles@esd.wa.gov (206) 440-2585 (North Seattle) (206) 721-6011 (Rainier)	Paul Sanchez psanchez@esd.wa.gov (425) 861-3788
Roy Kauer rkauer@esd.wa.gov (253) 804-1138 (Auburn) (206) 205-3550 (Renton)	Ardis Clinton aclinton@esd.wa.gov (206) 440-2585 (North Seattle) (206) 721-6047 (Rainier)	

These Veterans Reps will search our job banks to help find jobs that match your skills and will connect you with additional veteran's resources to help with other needs you may have.

- Sign in at the Front Desk and ask to see a Vet Rep at the above locations

On the computers, look for the HireVetsFirst icon. This icon will lead you to employers who want to hire vets as well as connecting you to various resources available specifically for veterans.

- If you need assistance in the computer room, see the Front Desk or any staff working in the computer room

If you need emergency assistance through the local community make a Connections Team appointment and identify yourself as a veteran.

- See the Front Desk to book an appointment

WorkSource partners can help with training if your military skills aren't marketable, or can add additional "customized" placement assistance to help you compete in the local job market.

- Attend a Job Search and Training Resources workshop, or see the Front Desk to book a Connections Team appointment

Several WorkSource sites have weekly veteran's connection meetings to give job leads, problem solve and provide support for job search.

- See www.worksourceskc.org for the schedule
