

## Workforce Development Council of Seattle-King County

Non-profit organization that supports and funds providers of employment and training services. The WDC's role includes program leadership and oversight, system wide coordination and technical assistance, and fiscal management. Consists of WDC staff and Board membership.

### WDC Executive Committee

Finance	Employment Connections	Industry Demand	Youth
---------	------------------------	-----------------	-------

### Operator Consortium

Provides vision and oversight for all local WorkSource site operations and services, according to the guidelines established by the WDC. Its members currently include:

- **George Dignan** (*King County*)
- **Jack Moffitt** (*Pacific Associates*)
- **Matt King** (*YWCA*)
- **Dot Fallihee** (*ESD*)

### Seattle-King County WorkSource Partnership

A variety of government, non-profit, and private organizations dedicated to addressing local workforce needs. Each partner contributes a unique and valuable service which, when combined under one roof, results in a dynamic "one stop" resource for businesses and job seekers to access employment and training services.
